SNIPS

Not all news needs to be covered through an extended article. But it is still important that you know about activities and decisions that may affect your business, communities and families. To help keep you informed, the Division of...[Continue reading](#)

Division of Compliance Assistance to hold workshops for agricultural professionals

Environmental regulations can be confusing. How we manage and interact with our land, air and water resources can have large impacts on the health of the environment. Join us for a one-day environmental boot camp designed for the agriculture community...[Continue reading](#)

Division of Compliance Assistance holds grant workshops to help with environmental and community development grants

Have you been tasked with writing grants, but don't know where to start? Have you written grants before but were not successful? Join us for our one-day grant writing workshop, which will provide participants with a solid understanding of grant ... [Continue reading](#)

Air monitoring shelter to be set up at Grayson Lake monitoring site

The Division for Air Quality's newest air monitoring shelter was delivered Thursday, and will be set up at our Grayson Lake monitoring site in the Ashland Regional Office. Grayson Lake serves as a rural monitoring site for the Environmental Protection Agency's...[Continue reading](#)
